

TAPES OF OLD RADIO PROGRAMS

The following material is for trade only. Programs vary in sound quality from fair to excellent. There are many shows complete with commercials, and some with commercials missing. I also have many excerpts of programs. I have tried to rate each item as to sound quality, and I have timed the short items. My rating as to condition of sound has EXCELLENT as the finest quality, and POOR as the lowest quality. The condition decreases in quality gradually, going from EXCELLENT to VERY GOOD to GOOD to FAIR to POOR.

"One Man's Family is dedicated to the mothers and fathers of the younger generation and to their bewildering offspring". Carlton E. Morse created this series, which was the longest running serial drama in radio. It's debut was April 29, 1932, and it ran for 27 years, 52 weeks a year. The cast included J. Anthony Smythe, Minetta Ellen, Michael Raffetto, Barton Yarborough, Bernice Berwin, Page Gilman. Although sometimes referred to as a soap opera, One Man's Family was actually in a class by itself. It was the most realistic serial drama on radio.

ASK EDDIE CANTOR

In the early 1960's, Eddie Cantor appeared on a daily radio program on which he answered questions from listeners, told show business anecdotes, played some of his great records, & occasionally sang a capella. Each show was 4 minutes long; some were sponsored by such products as Copper-Glo polish, Montgomery Ward; Alumi-Glo Polish. The later shows were syndicated & comm'ls were local. I have 127 different programs, and all are in excellent sound. They will be grouped in 20 minute packages, each containing one week's broadcasts.

THE SHADOW OF FU MANCHU

The following series was syndicated by Radio Attractions in the 1930's. Hanley Stafford & Gale Gordon starred as Nayland Smith & Dr. Petrie. The story is based on the series of books written by Sax Rohmer. Each episode is complete, 15 minutes long, & very good to excellent sound (with light surface noise) unless otherwise indicated.

7157. FU MANCHU. Ep. #1. Smith & Petrie go to house of Sir Crichton Davies & find him dead. His last words were "the red hand".
7158. FU MANCHU. Ep. #2. Karamah gives letter to Petrie, who joins Smith & they go to Baker St. They put dummies in their beds & later see a dacoit throw a box through window. They shoot at "thing" from box.
7159. FU MANCHU. Ep. #3. Giant poison ant is killed. Weymouth finds dead detective with 3 fingers chopped off. Petrie catches Karamah stealing dead man's notebook, but Fu Manchu appears & captures Petrie.
7160. FU MANCHU. Ep. #4. Smith & Weymouth go to waterfront & are captured by Dr. Fu, who has Petrie bound & gagged over a trapdoor.
7161. FU MANCHU. Ep. #5. Petrie rescued from Thames, thanks to Karamah's warning about deadly knives on beam. At Red Moat, Mr. Eltham is host to Smith & Petrie, who question him. A scream is heard.
7162. FU MANCHU. Ep. #6. Greba Eltham had fainted when she saw huge thing with green eyes. Later, the dog is injured & Greba screams again.
7163. FU MANCHU. Ep. #7. Greba found drugged; evidence found that Dr. Fu was on grounds. Telegram comes saying Sir Lionel Barton is dead.
7164. FU MANCHU. Ep. #8. Dead man is not Sir Lionel, but his secretary. The body was found near mummy case, with green mist rising.
7165. FU MANCHU. Ep. #9. Sir Lionel arrives, alive & well. Later, Karamah comes to see Petrie. Smith gets package, with deadly green mist in it.
7166. FU MANCHU. Ep. #10. Smith & Petrie escape deadly gas, but are caught later by Fu's men, who take them to Fu's cellar in chains. Karamah rescues them through secret passage, then they hear "drums of Siva".
7167. FU MANCHU. Ep. #11. At Savoy Hotel, Sir Graham Guthrie is warned, & when "cry of Siva" is heard, Smith is being pulled out the window.

7168. FU MANCHU. Ep. #12. Smith is saved, & he & Petrie go to Fu's house, find Karamah, see the house catch fire, hear cry of dacoit.
7169. FU MANCHU. Ep. #13. Fu is found in houseboat on Thames; Smith & Petrie are pursued by dacoits to cottage, & shots ring out.
7170. FU MANCHU. Ep. #14. Karamah saves Smith & Petrie, & later leaves a message for them to see aviator Jerry West, whose plans are missing.
7171. FU MANCHU. Ep. #15. West was drugged with hashish & trained marmoset stole plans. They board a steamship & get package.
7172. FU MANCHU. Ep. #16. Package contains blank paper, but Smith has the real plans. Lord Southerly is found "dead".
7173. FU MANCHU. Ep. #17. Petrie sees Karamah's brother in death-like trance, & sees Dr. Fu revive him with special formula. Petrie thinks Southerly is in similar trance, & he takes sample of formula.
7174. FU MANCHU. Ep. #18. Lord Southerly is revived with formula. Karamah leads police & Smith to Fu's house, where he is high on opium, but he is protected by trap-door.
7175. FU MANCHU. Ep. #19. Smith & Petrie are prisoners in cellar. Police break in to be attacked by poisonous fungus puff-balls & they die a horrible death. Smith attacks Dr. Fu, but is subdued & thrown out to die with police. (Fine episode.)
7176. FU MANCHU. Ep. #20. Karamah saves Smith & leads him to secret boat. When police boat comes, Fu injects Weymouth with serum causing madness during struggle in water. Weymouth & Fu disappear.
7177. FU MANCHU. Ep. #21. Fu is captured & Weymouth appears "mad". Dr. Fu gives Weymouth antidote in exchange for his freedom. A fire breaks out & Fu's laughter is heard from inside inferno.
7178. FU MANCHU. Ep. #22. No remains of Fu are found at fire ruins. Sir Gregory Hale is found locked in his hotel. They find him stricken dumb--he writes 6 lines & dies. One of lines is "beware of man with a limp."
7179. FU MANCHU. Ep. #23. Hale was killed by "flower of silence"--poisoned thorn. They guard Hale's brass chest all night. Smith is nearly killed by poisoned flower lowered from light fixture.
7180. FU MANCHU. Ep. #24. Smith takes brass chest to bank but disappears. Weymouth, Petrie, & Fletcher go to Joy Shop on wharf to look for Smith.
7181. FU MANCHU. Ep. #25. Smith is found unconscious in coffin-like box on wharf. He revives, says the Si-Fan & Black Poppy group are the same or working together, & the man with the limp is Dr. Fu Manchu.
7182. FU MANCHU. Ep. #26. Smith uses brass chest as bait to attract the Si-Fan. A shot rings out & Petrie calls for help.
7183. FU MANCHU. Ep. #27. Lewisohn is dying near the chest, saying "the golden pomegranite". Upstairs they find female jewel thief, who was helping Lewisohn steal the chest. They find poisoned needles in the golden pomegranite handle of chest. Only lead bars are in chest. (Vg)
7184. FU MANCHU. Ep. #28. Petrie lured out of Baker St. house, & Guthrie is captured by Fu's men & taken to warehouse & tortured. Smith & Petrie break in & shots ring out. (Vg)

THIS IS JAZZ

THIS IS JAZZ: Pure, authentic jazz, improvised over the air by great jazz artists in person. Rudi Blesh, who writes and narrates each program, is a famed jazz critic and author. Each program is a solid half-hour of jazz, & scenes from its history. All following shows run 30 minutes and are complete, except for most shows having a few seconds missing in the middle, usually at an intro & not in the music. Those shows that have this missing bit are so indicated by an asterisk(*)--all others are fully complete. All shows are Mutual net, and are in very good to excellent sound unless otherwise noted.
